

14th International Multisensory Research Forum (IMRF)

Jerusalem, Israel, June 3-6, 2013

Hosted by The Hebrew University of Jerusalem

IMRF 2013 will be held at the Dan Hotel, Mount Scopus, overlooking the Jerusalem skyline and Judean Hills.

The International Multisensory Research Forum (IMRF) provides a platform for scientists from around the world who are interested in how different senses interact and how their input is integrated to communicate with one another. Meeting topics include, but are not limited to, mathematical psychology, psychophysics, neurophysiology and anatomy, development and neuroimaging.
